

Invitation to conference on:

Logistics and the Fehmarn Belt tunnel

- Business opportunities for Logistics Service Providers during the construction of the tunnel and ahead

Copenhagen, March 21st, 2014, 10:00 – 14:00

Venue: Hotel Richmond, Vester Farimagsgade 33, Copenhagen K

The establishment of the Fehmarn tunnel is an estimated investment of 5.5 billion EUR in 2008 prices. The link will create a variety of business opportunities for logistics companies both during the construction phase as well as after the link is finished. The 21st of March, Green STRING Corridor (EU funded project on green transport) and the Transport Innovation Network will host a conference about the business opportunities for the Logistics Service Providers during and after the construction of the Fehmarn tunnel.
